§1206. REAPPORTIONMENT

Congressional districts must be reapportioned as follows. [1995, c. 360, §1 (AMD).]

1. Procedure. In 2021 and every 10 years thereafter, when the Secretary of State has received notification of the number of congressional seats to which the State is entitled and the Federal Decennial Census population count is final, the Legislative Apportionment Commission, established every 10 years pursuant to the Constitution of Maine, Article IV, Part Third, Section 1-A, shall review the existing congressional districts. If the districts do not conform to Supreme Judicial Court guidelines, the commission shall reapportion the State into congressional districts.

In making such a reapportionment, the commission shall ensure that each congressional district is formed of compact and contiguous territory and crosses political subdivisions the least number of times necessary to establish districts as equally populated as possible. The commission shall submit its plan to the Clerk of the House of Representatives no later than June 1st of the year in which apportionment is required. The Legislature shall enact the submitted plan of the commission or a plan of its own in regular or special session by a vote of 2/3 of the members of each house by June 11th of the year in which apportionment is required. This action is subject to the Governor's approval, as provided in the Constitution of Maine, Article IV, Part Third, Section 2.

[2013, c. 85, §1 (AMD) .]

2. Court apportionment. If the Legislature fails to make an apportionment by June 11th of the year in which apportionment is required, the Supreme Judicial Court shall make the apportionment within 60 days following the period in which the Legislature is required to act but fails to do so. In making the apportionment, the Supreme Judicial Court shall take into consideration plans and briefs filed by the public with the court during the first 30 days of the period in which the court is required to apportion.

[2013, c. 85, §1 (AMD) .]

3. Judicial review. The Supreme Judicial Court has original jurisdiction to hear any challenge to an apportionment law enacted by the Legislature, as registered by any citizen or group of citizens. If a challenge is sustained, the Supreme Judicial Court shall make the apportionment.

§1206-A. REAPPORTIONMENT OF STATE LEGISLATIVE DISTRICTS

The state legislative districts established in this chapter must be reapportioned pursuant to the Constitution of Maine, Article IV, Part First, Section 2; Article IV, Part Second, Section 2; Article IV, Part Third, Section 1-A; and this section. When reapportioning districts, where possible, the Legislative Apportionment Commission shall attempt to form functionally contiguous and compact territories. For purposes of this section, a "functionally contiguous and compact territory" is one that facilitates representation by minimizing impediments to travel within the district. Impediments to travel include, but are not limited to, physical features such as mountains, rivers, oceans and discontinued roads or lack of roads. The commission shall recognize that all political subdivision boundaries are not of equal importance and give weight to the interests of local communities when making district boundary decisions. [1995, c. 360, §2 (NEW) .]

When the Supreme Judicial Court is required to make the apportionment, it is bound by this section. [1995, c. 360, §2 (NEW) .]

§1207. IMPLEMENTATION AND INTERPRETATION

1. Implementation. The Secretary of State shall implement the election districts established in this chapter pursuant to this Title and the Constitution of Maine. The Secretary of State shall inform the municipal clerks of the voting district or districts in which each municipality lies and shall provide copies of this chapter and district maps and narrative geographic descriptions of relevant election districts to those officials. The Secretary of State may resolve ambiguities concerning the location of election district lines consistent with subsection 2 and this chapter.

[1993, c. 628, §2 (NEW) .]

2. Interpretation. Where a road, street, waterway, boundary of a tract, boundary of a block group or boundary of a block is used as a boundary of an election district, the boundary line lies at the center of the street or road, at the thread of the waterway or at the boundary of the tract, block group or block, unless otherwise noted. When a description refers to a bridge or railroad line, the district boundary lies at the center of the bridge or railroad tracks. When a description refers to a railroad spur, it refers to the principal spur in the area. When a description uses the word "ocean," the district boundary line lies coincident with the legal boundary of the particular community along or within the Atlantic Ocean. When an election district includes a particular unorganized territory, it includes that unorganized territory as described in the United States Census for 1990, whether the territory is organized or unorganized on the effective date of this chapter. Unless otherwise noted, a district that names a municipality includes all of the municipality.

[1993, c. 628, §2 (NEW) .]

3. Nonseverability. It is the intent of the Legislature that the apportionment of the Maine Senate, the Maine House of Representatives and Maine congressional districts, as established in this chapter, become law as an entirety. If the apportionment of one or more of the bodies apportioned in this chapter is rendered invalid or unlawful by a court of law, it is the intent of the Legislature that the apportionment of all of the bodies apportioned in this chapter become void.
